Capture Installation and Guide

Capture Installation and Guide

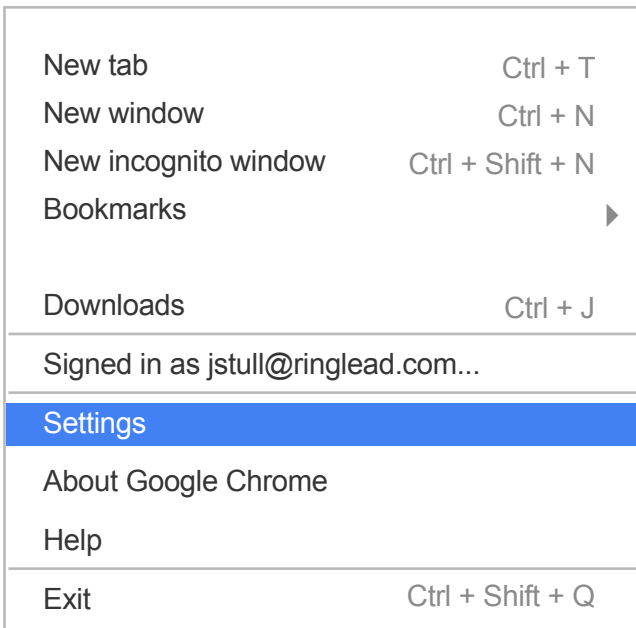

What You Will Need to Start

- Google Chrome Browser
- Google Account and Credentials

Preparation

1. Verify any other users you might have registered or installed on Chrome in the settings, and select the correct user.

Open your Settings in the drop down tab  in Chrome

Users

You are currently the only Google Chrome user.

2. Verify how many users are currently installed and registered in your user list.

Users

You are currently the only Google Chrome user.

3. If other accounts are installed into your Chrome Browser, verify that you have the correct account selected for Capture to be installed in the top left of the browser.

After you have verified the correct user is selected, you may begin the installation process.

New Installation

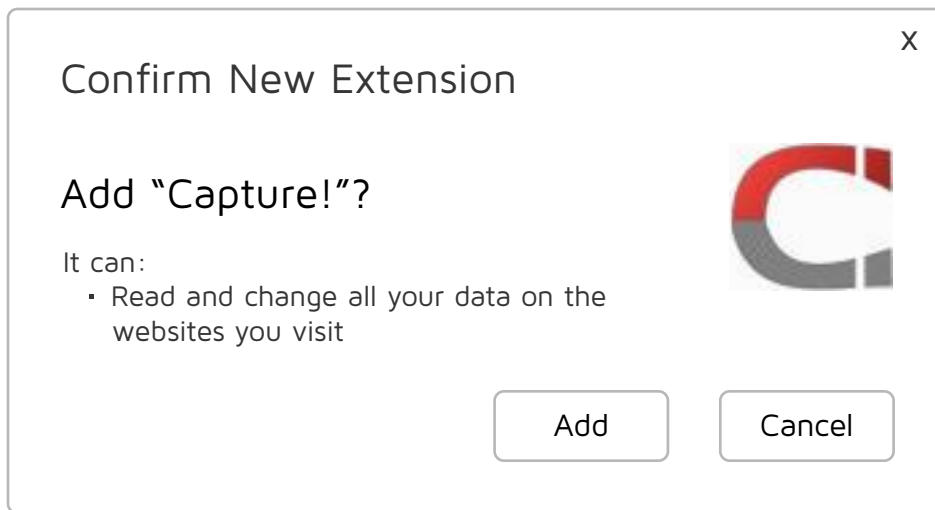

1. Navigate to <http://chrome.google.com/webstore/>
2. Verify that you are signed in at the top right of the web page with the correct account. If you are not, sign in now with your credentials.

3. Go to <https://chrome.google.com/webstore/detail/capture/fbphneaigmjgpcbhjbdijabdpddene>
4. Press the Add to Chrome button at the top right of the popup window.

5. Click Add.

6. Click the Capture icon  on the top right of your Chrome Browser and sign in with your Google credentials if requested.

7. Click Accept on the pop up that appears for Salesforce integration.

Capture! for Salesforce and Google will use this information in accordance with their respective terms of service and privacy policies.

8. Fill out all form fields and then press Register and enter in the license key provided to you. If you were not provided a license key, leave this field blank to activate your trial. *Note, you will not be able to change the email associated here as it is the email currently synced with your Chrome account.

Phone	<input type="text" value="Enter work phone number"/>
Company	<input type="text" value="Enter your company name"/>
Job Title	<input type="text" value="Enter your job title"/>
License Key	<input type="text" value="Enter your license key (optional)"/>
